

CRU

Centre for Reproductive
Biology in Uppsala

www.slu.se/cru

Uppsala University and the Swedish University of Agricultural Sciences collaborating since 1999 to increase knowledge on reproduction in animals and humans

- CRU is a network of scientists within reproductive biology
- Over 100 members from 8 UU departments (MedFarm and TekNat) and 10 SLU departments (VH and NJ) but you do not have to be a member to attend our events
- Provide a comprehensive view on reproductive biology
- Develop the research area and stimulate collaboration by arranging conferences, seminars, workshops and postgraduate training activities
